The University of Rizal System is the only State University in the Province of Rizal. It is an amalgamation of two (2) state colleges and a university extension campus: the Rizal Polytechnic College, Rizal State College and the Rizal Technological University extension campus.

Rizal State College was originally named Rizal National Agricultural School (RNAS) through RA 1560 on June 16, 1956 and evolved into Rizal College of Agriculture and Technology (RCAT) as a chartered state college on June 24, 1983 through Batas Pambansa Blg. 622.

It was later renamed Rizal State College (RSC) by virtue of RA 7858 on January 21, 1995. The college continued to expand and develop establishing extension campuses in Pililla, Rodriguez, Angono, Binangonan and Antipolo City.

Rizal Polytechnic College was first established as Morong High School on August 16, 1944 and was converted into Morong National High School on August 20, 1976 and to Morong National Comprehensive High School on March 30, 1977. The integration of Tomas Claudio Memorial Elementary School on April 14, 1980 converted it into Morong National Comprehensive School. By virtue of Batas Pambansa Blg 469, the school was converted into a college named Rizal Technological and Polytechnic Institute (RTPI) on June 10, 1983.

Republic Act 7933 eventually converted RTPI into a state college and renamed as Rizal Polytechnic College on March 1, 1995 with extension campuses in Cainta and Cardona.

Rizal Technological University Antipolo Annex, Antipolo City became part of the fusion of the two state colleges.

The passage of Republic Act No. 9157 on June 7, 2001 which lapsed into law on August 11, 2001 established the University of Rizal System which continues the operations of 10 campuses in the Province of Rizal with URS Tanay as its main campus. The university offers complete education from kindergarten to graduate school.
