

Youth Environment Summit Joined in

The Green Alliance Philippines brought together 600 Green Ambassadors as registered participants from institutions and local government units nationwide, including the University of Rizal System (URS) at the 5th National Youth Environmental Summit at Teacher's Camp Baguio City, March 1-4.

GREEN Ambassadors. URS contingent attends the 35th NYE summit in Baguio City.

The summit highlighted speeches, discussions, breakouts, and workshops that revolved around the theme: "Youth Climate Action Towards Building Green Campuses and Sustainable, Peaceful and Resilient Communities." Selected student federation officers including Ralph Xavier Talavera, Vice-President Internal (URSP); Katherine Llorente, Treasurer (URSA); Kyla Rocelle Atutubo, Auditor (URSB); and Ginuel Buenaventura, PRO (URSP); together with the Head of Student Organizations in Pililla Campus, Prof. Reniel Domingo, represented the University.

The summit aimed to enhance the leadership and communication skills of the youth participants and train them to become Green Ambassadors who will initiate activities and projects that would help mitigate the impact of climate change. ~ **RM Domingo**

Engineers, Technicians Post High Marks

The Professional Regulation Commission (PRC) announced the official results of the different engineering licensure board and technician examinations released in February, March, and April. ~ **MKR Rioveros**

Engineering Licensure and Technician Examinations Results February – April 2023

Examination	Campus	Passer	Taker	Overall Performance	National Passing Rate
Mechanical Engineering	Morong	31	38	81.58	62.18
	Antipolo	3	4	75	62.18

Estacio is ICMCER Best Paper Presenter

Fourth-year BSE-Science students, Carl Adam Estacio, Adrian Oquendo, Wendell Listones, and Justin Rennie Bogate, with their research adviser Prof. Jojimar Julian, presented their research titled "Flow with Mechanics: A 7E Instructional Material in General Physics 1" and won the Best Paper award in the 4th International Conference on Multidisciplinary and Current Educational Research (ICMCER) 2023 held in Bangkok, Thailand on April 11-12.

The conference aims to shed light on the hurdles linked to the practical administration of all the most modern information being produced in educational research, from a multidisciplinary perspective. This convention strives to assist them in keeping up with all these developments. //

URS to Forge Partnership with PAASE, ECSAAK

The Philippine-American Academy of Science and Engineering (PAASE) in partnership with the Edu-Connect Southeast Asia Association (ECSAAK) held the visit-cum-conference called the PH-TW Bayanihan Linkages through (Science, Technology, Engineering, Arts, Agriculture, Mathematics, and Medicine) STEAAMM with the theme "Building Partnerships for Inclusive Education, Science, and Technology" on May 7-11 in Kaohsiung City, Taiwan.

PARTNERS. URS delegates convene with PAASE officers and ECSAAK representing Taiwan-based colleges and universities for possible academic and research collaborations.

PAASE is an organization of scientists and engineers of Philippine descent actively involved in scholarly and academic research activities promoting collaborative work between US and Philippine-based researchers. ECSAAK, on the other hand, is an alliance of universities, businesses, professional associations, and civil society organizations based in Kaohsiung City, Taiwan. PAASE's partnership with ECSAAK promoted collaborations with several Philippine higher educational institutions, especially with state universities and colleges pushing forward ECSAAK's vision of "Universities as Emerging Good Governance Hubs of Asian Inclusive Education and Development."

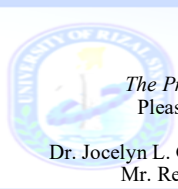

As Taiwan and the Philippines are now journeying towards a post-pandemic world, both PAASE and ECSAAK are now keen to revive partnership projects both in the Philippines and Taiwan. In this

premise, the Taiwan-Philippine partnership is built to foster solid ties on the matters of promoting science and technology. This will enable Taiwanese and Filipino scientists to learn from each other's experiences and encourage university cooperation between the Philippines and Taiwan.

Delegates from the PAASE consisted of Dr. Mariano Sto. Domingo, president; Dr. Gisela Concepcion, immediate past president; and Dr. Felino Lansigan, chairperson of PAASE board of directors. Representatives from URS consisted of Dr. Nancy Pascual, university president; Dr. Marites Rio, vice president for research, development, extension, and production; and Ms. Rennie Mae De Lemon, director for planning, monitoring, and evaluation. Representatives from Eastern Visayas State University (EVSU) headed by its president, Dr. Dennis de Paz, were also present. Taiwan delegation consisted of

representatives from Kaohsiung Medical University (KMU), College of Pharmacy of KMU, delegates from National Chungsing University (NCHU), delegates from National Kaohsiung University of Science and Technology (NKUST), delegates from National Yunlin University of Science and Technology (Yuntech), and representatives from National Changhua University of Education (NCUE).

Aimed at establishing international cooperation between and among the participants, the visit is specifically geared to establish research collaborations, promote student and faculty exchange programs, and conduct capacity-building programs. //

36th AACCUP Confab Attended

The University of Rizal System representatives attended the 36th Association of Accrediting Agency of Chartered Colleges and Universities (AACCUP) Annual Conference and General Assembly on March 27-29 at Century Park Hotel, Malate, Manila.

ACCREDITATION. Representatives to the 36th AACCUP conference pose for a souvenir.

The delegation was led by Dr. Allan Conde, Vice President for Academic Affairs, together with Dr. Gary Ken Robles, Director for Curriculum and Instruction, Ms. Charmaine Villarin, head of Program Accreditation, Recognition, and Certification (PARC), and Dr. Ronnie Parica, dean of the Graduate School, URS-Pililla.

With the theme "Strengthening a Culture of Quality Assurance in Higher Education through Partnerships in Accreditation," the conference tackled the mechanism of strengthening a culture of quality assurance in higher education, strategizing approaches to sustain accreditation of programs and institutions, enhancing national and international partnership and linkages in quality assurance and accreditation, and structuring quality assurance systems from internalization to internationalization in higher education.

The conference ended with the election of the new AACCUP Board of Trustees for 2023-2026. // ~ **CB Villarin**

URS, NCIP Partner for YAKAP, DALOY Extensions

Through a Memorandum of Agreement, the University of Rizal System and the National Commission on Indigenous People Region IV-A (NCIP RIV-A) formed a formal partnership to deliver various capability-building extension projects for the indigenous people of Rizal. The signing was held at the Audio-visual Education Center, URS Morong Campus on April 4.

INDIGENOUS. URS and NCIP enter into a MOA in the service of our indigenous people.

The MOA signing was led by President Nancy Pascual as the main representative of URS while Regional Director Carlos Buasen, Jr. represented NCIP. Joining them were key officials from both sides.

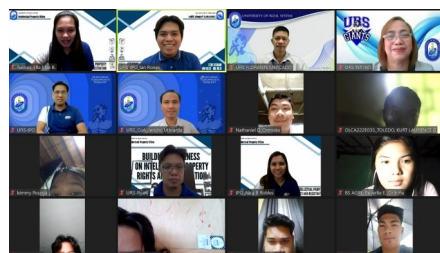

The MOA was signed as support for the *Community Awareness, Knowledge, Attitude, and Practice (YAKAP)* and Delivering Access to Quality Learning Opportunities to Marginalized Community (DALOY) extension projects which aim to improve the quality of life of the Dumagats living within the Province of Rizal.

While the effectivity of the MOA is only for five years, both sides have given their commitment to continuously work with each other to protect the rights of and assist the indigenous people in Rizal. ~ **RAA Casas**

IP Rights, Registration

Webinar Pushed

The Intellectual Property Office (IPO) spearheaded Project 1C. Intellectual Property and Technology Business Management (IPTBM), a 6-day webinar on Intellectual Property Rights and Registration in URS. This was held on March 21-22, 27-29, and April 13 via Zoom.

Participants are from the six campuses of URS: Morong, Cardona, Taytay, Cainta, Rodriguez, and Tanay. The seminar covered the basics of intellectual property, which includes copyright, trademark, invention patent, utility model, and industrial design.

The webinar aimed to provide knowledge to student researchers and familiarize them with the necessary information about intellectual property rights and how to register their respective IPs. Dr. Leo Rio, Head of URS-IPO, served as the resource speaker, and Danica Robles, IPO Staff, discussed the IPO process flow. ~ **EMB Ramos**

SSS on Wheels Goes to URS

To provide social security coverage and protection to job order (JO) or contract of service (COS) workers in URS, the Social Security System (SSS) through its SSS On Wheels program conducted an orientation for the said workers, 9:00 am on April 5.

A total of 86 participants attended the orientation via face-to-face and online modalities.

The SSS coverage and payment of corresponding contributions will entitle said workers to the benefits and protection that SSS provides to members and their beneficiaries against the hazards of disability, sickness, maternity, old age, death, and other contingencies which result in loss of income or financial burden.

IASPER Confab Hones

URS Peer Reviewers

Eight faculty members attended the Training Workshop on Trends in Peer Review of Scientific Publications at the MetroCentre Hotel & Convention Center, Tagbilaran City, Bohol on March 22-24. The event was sponsored by the International Association of Scholarly Publishers, Editors, and Reviewers (IASPER).

PEERS. Attendees receive their certificates of participation.

The attendees are the editorial board members and staff of the URS Research Journal, the official multidisciplinary peer-reviewed research journal of the University. They are Dr. Jocelyn Gagalang, editor-in-chief; Prof. Jeremy Aterrado, Dr. Jenisus Dejarlo, Dr. Jannie Manimtim, and Dr. Romeo Pati, associate editors; Dr. Niclie Tiratira, managing editor; and Prof. Arminda Campo, production assistant.

Some of the objectives of the training are to acquire competencies in peer-reviewing scientific articles and to evaluate editorial policies, editors, and journal impact as requisites for acceptance of peer-review invitations. ~ **AB Campo**

Cenido is JPIA's...

the selection of the Ambassador of Goodwill. The selection helps promote the advocacy of the winning candidate by enlisting the JPIAs as instruments of change in society. Justine Lorrenz Cenido of URS Binangonan made it as Mr. Ambassador of Goodwill at the NFJPIA conference. Other delegates of the campus are Shiela Amor Francisco who won Ikatlong Pilak – RFBT and Mr. Lour Andrew Catipan who won Unang Pilak – CFAS. They were joined by their coach-adviser Prof. Susan Cadiente. //

Regional GADC Fosters S&T, Innovation

Local Forum Held at URS

The Regional Gender and Development Committee (RGADC) sponsored the 2023 Regional Women's Month (RWM) Celebration at 9:00 am on March 31 at the Cultural Center of Laguna, Santa Cruz, Laguna. A local forum was also held at URS.

This year's celebration aligns with the 2023 National Women's Month theme, "WE for Gender Equality and Inclusive Society," with the sub-theme, "Creating WE Opportunities in Science, Technology, and Innovation." It highlighted the importance of creating equal opportunities in science, technology, and innovation toward achieving the region's development goals. A photo contest was also conducted to further advocate the importance of including women's concerns and empowerment to attain inclusive development. All GAD focal persons and experts were invited to the event.

Meanwhile, URS held its series of local seminars anchored on the same national theme on March 24 and 30 at URS Morong Campus. The DigitALL seminar on Women's Health aimed to increase awareness of cyberbullying and other online offenses as well as lifestyle changes and interventions to improve overall health. Meanwhile, the discourse on sexual orientations, gender identities, gender expressions and sex characteristics (SOGIESC), and lesbian, gay, bisexual, transgender, intersex, and queer (LGBTQIA+) people's rights focused on continually providing support, protection, and respect to students, faculty, staff, and other clients of the University regardless of their gender preference or identity. //

URS, Baras LGU Ink MOA on GAD, Literacy

The University of Rizal System (URS), having been designated as the host institution of the CALABARZON Gender and Development (GAD) Resource Center for 16 years, has entered into a Memorandum of Agreement (MOA) with the Municipality of Baras, Rizal relative to strengthening and implementing GAD-related programs, training, and capability-building activities.

MOA SIGNING RITES BETWEEN URS AND LGU-BARAS, RIZAL
MARCH 9, 2023 / MUNICIPAL LOBBY

Being the host institution, URS provides services to regional and provincial line agencies, local government units, state universities, and colleges, as well as non-governmental and private organizations in order to pursue and assist in the implementation of programs, projects, and activities relative to GAD. On the other hand, Baras LGU will support URS in the implementation of GAD programs in the community and improve the capability of the municipal GAD focal point system and members.

The MOA signing happened at Baras Municipal Office on May 9. ~ **ABC**

IPO Master Class Seminar Held

The Intellectual Property Office successfully conducted one of the three training sessions of the Re-Echo Workshop on Intellectual Property and Technology Business Management entitled Intellectual Property Master Class (IPMC) on May 5, 12, and 19 via Zoom conferencing.

Prof. Errol Rosaldo and Prof. Jerry Esperanza served as the resource speakers being the participants and completers of the DOST-PCAARRD Master Class Series. It was attended by 12 faculty researchers: Prof. Mylene Balagot, Prof. Gilda Romano, Prof. Baby Eunice Cabaltera, Prof. Yolanda Vistal, Dr. Juan Abarro, Dr. Marlon Bautista, Engr. Joshua Tejada, Engr. Merie Ann Dudang, Engr. Roy Andrada, Prof. Reniel Domingo, Prof. Verna Gaston, and Prof. Richard Manalastas.

The series of training aims to equip the participants with skills and knowledge in intellectual property spotting, prior art search and patent document preparation, technology commercialization, and technology promotion. //

Professional Enhancement Forum Held URS PhilFutures Society Launched

Led by Dr. Rommel P. Sergio from Canadian University of Dubai as the guest speaker for the event, the University of Rizal System (URS) held a Professional Enhancement Forum with the theme "Challenges and Opportunities on Internalization of Research towards Empowering Extension Services and Utilization Practices" on March 28 at the Eulogio Amang Rodriguez Tanghalang Sining, URS Morong Campus.

PEP FORUM. Dr. Rommel Sergio of the Canadian University of Dubai serves as guest to the forum.

The event was attended by participants from various educational institutions in the Province of Rizal such as Blessed Hope Christian School of Tanay Inc., San Ildefonso College, Rizal Marine and Techno-computer College Inc., and Tomas Claudio Memorial Elementary School.

The event aimed to equip the participants with enhanced knowledge on the internalization of research and extension and improvement of their capability on producing more academic outputs.

The guest speaker, Dr. Sergio is a URS alumnus who is currently serving as an Associate Dean of Canadian University of Dubai. Along with this, Dr. Sergio also launched his second book *Unbroken: Trials to Triumph*.

The event which was attended by URS key officials likewise highlighted the launching of the Futures Thinking Society, URS Chapter. *The Philippine Futures Thinking Society (PhilFutures)* is the premier membership organization for foresight and futures thinking professionals in the country ~ *RAAC*

URSA Cops Muralista Prizes

The Sining Kape't Kultura, an association of coffee artists from the Philippines, conducted the First Manila Coffee Festival 2023 Muralista Competition: Chalk Art Edition at the MCF Art Hall, MGBx, Marriott Hotel Manila, Newport World Resorts, Pasay City on March 17.

The MCF 2023 Muralista Competition is a live art competition open to all artists aged 16-25 years old. The theme this year is "Beyond the Cup: The Next Generation of Philippine Coffee" and the medium is chalk art. The competition is free of registration with all the materials provided by the organizers. Participants in the competition are Reniel Gallar, Ahlen Ken Batalon, Vinn Adrian Gatchalian, and

Samantha Julianne Tanchoco, Bachelor of Fine Arts major in Visual Communication Arts students. They were coached by Prof. Gian Paolo Francisco.

The URS-Angono delegates won both the Grand Prize and the Special Award called The People's Choice award getting a plaque with P20,000 and P5,000 cash for each award, respectively. //

STAARRDEC Awards URS STAARRTOKers

College of Engineering students, Meg Abesa, Rolando Lintero, Suzette Tablada, and Rikka Ashley Regalado with their research adviser, Engineer Merie Ann Dudang won 1st place with their entry "Hybrid Coffee Seed Dryer" in the STAARRTOK contest held on May 3.

RESEARCH TIKTOKERS. Engineering students show off their awards during the 35th STAARRDEC celebration.

This is one of the highlights of the Southern Tagalog Agriculture, Aquatic, and Resources Research Development and Extension Consortium (STAARRDEC) celebration of its 35th anniversary and First Regional Pitch Fest at Cavite State University. Dr. Rocan Pangan also pitched his technology Powdered Trichantera on the same event.

The welcome remarks and introduction of the keynote speaker were given by Dr. Hernando Robles, regional chairperson of STAARRDEC and president of Cavite State University. The keynote message was given by Dr. Reynaldo Ebor, executive director of the Philippine Council for Agriculture, Aquatic, and Natural Resources Research and Development (PCAARRD). Other highlights are the ceremonial signing of the Memorandum of Commitment by the Regional Research and Development Coordinating Council (RRDCC) members, in which Dr. Marites Rio, URS VP for RDEP, serves as URS representative. ~ *EMBR*

Ceñido is JPIA's Nat'l Ambassador of Goodwill

The National Federation of Junior Philippine Institute of Accountants (NFJPIA) held the annual National Mid-Year Convention (NMYC) academic league competition for the regulatory framework and business transaction cup/quiz bee at Mezzo Hotel, Cebu City on March 22.

Students from the second year up to the fifth year from universities around the country compete to undergo the elimination round to determine the top ten finalists who will resume securing the winning spots. Mr. John Rosman Viray of URS Binangonan placed 9th out of the total 71 competitors. Another feature of the annual event is
